

INDEPENDENT AUDITORS' REPORT

To the Members of Forge Auto International Limited

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of **M/s Forge Auto International Limited** ("the Company") for the half year ended March 31, 2025 and the year to date results for the period from April 01, 2024 to March 31, 2025 which comprise the Balance Sheet as at 31st March 2025, Statement of Profit and Loss for the year ended 31st March 2025, Cash Flow Statement for the year ended on that date, notes to the financial statements and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Net profit after tax and other financial information of the Company for the half year ended March 31, 2025 as well as the year to date results for the period from April 01, 2024 to March 31, 2025.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements for the half year and year ended March 31, 2025 under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' Report, but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the Accounting Standards referred to in Section 133 of the Companies Act, 2013 ("the Act"), read with Rule 7 of Companies (Accounts) Rules, 2014.

This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent, the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern

and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on

the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - A. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

 - iii. There were no amounts which were required to be transferred by the company to the Investor Education & Protection Fund.
 - iv. a). The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”),

with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.
- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

“ANNEXURE B” TO THE AUDITOR’S REPORT REFERRED

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)

We have audited the internal financial controls over financial reporting of Forge Auto International Limited for the half year and year ended 31st March, 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS’ RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with reference to these financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING WITH REFERENCE TO THESE FINANCIAL STATEMENTS

A company's internal financial control over financial reporting with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these financial statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING WITH REFERENCE TO THESE FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these financial statements and such internal financial controls system over financial reporting with reference to these financial statements were operating effectively as at 31st March, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE-IV
FORGE AUTO INTERNATIONAL LIMITED
SIGNIFICANT ACCOUNTING POLICIES & NOTES ON ACCOUNTS

The Company was originally formed as a Partnership firm in the name and style of "Auto International" under the provisions of the Partnership Act, 1932 on April 16th, 2001 with Partnership Deed. Consequently, it was converted into Private Limited Company on a going concern basis under Part -1 of Chapter XXI of the Companies Act, 2013 under the same and style of 'Forge Auto International Private Limited' on April 25th, 2023. Subsequently, the Company was converted into a Public limited company under the Companies Act with the name 'Forge Auto International Limited' pursuant to a fresh certificate of incorporation dated June 01st, 2024 issued by the Registrar of Companies, Central Processing Centre bearing CIN: U25910PB2023PLC058272. The company is in the business of manufacturing customized closed die hot forging in carbon and alloy steel ranging from 1 Kg to 20 Kg and Aluminum forging of any grade ranging from 500 Gms to 6 kg.

1 SIGNIFICANT ACCOUNTING POLICIES:

Basis of preparation of financial statements

The Statement of Assets and Liabilities of the Company as on March 31, 2025 and the Statement of Profit and Loss and Statements of Cash Flows for the period ended on March 31, 2025 and the annexure thereto (collectively, the "Financial Statements") have been prepared by the management.

The financial statements of the company have been prepared and presented in accordance with the Generally Accepted Accounting Principles (GAAP). GAAP comprises the Accounting Standards notified u/s S.133 read with S.469 of the Companies Act, 2013. The accounting policies have been framed, keeping in view the fundamental accounting assumptions of Going Concern, Consistency and Accrual, as also basic considerations of Prudence, Substance over form, and Materiality. These have been applied consistently, except where a newly issued accounting standard is initially adopted or a revision in the existing accounting standards require a revision in the accounting policy so far in use. The need for such a revision is evaluated on an ongoing basis.

The Financial Statements have been prepared on a going concern basis, in as much as the management neither intends to liquidate the company nor to cease operations. Accordingly, assets, liabilities, income and expenses are recorded on a Going Concern basis. Based on the nature of products and services, and the time between the acquisition of assets and realization in cash or cash equivalents, the company has ascertained its operating cycle as 12 months for the purposes of current and non-current classification of assets and liabilities.

Change in Accounting Policy

The preparation of financial statements require estimates and assumptions to be made that affect the reported balances of assets as on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Accounting estimates could change from period to period. Actual results could differ from these estimates. Appropriate changes in estimates are made as and when the Management becomes aware of the changes in the circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which the changes are made and if material, their effects are disclosed in the notes to the financial statements.

The following significant accounting policies are adopted in the preparation and presentation of these financial statements:

1 REVENUE RECOGNITION

Revenue is recognized on transfer of property in goods or on transfer of significant risks and rewards of ownership to the buyer, for a consideration, without the seller retaining any effective control over the goods

Sales are accounted on dispatch of goods (which generally coincides with the transfer of ownership) and are exclusive of GST.

Other items of income including Interest, Discount etc. are accounted on accrual basis (depending on certainty of realization) and disclosed under the head "Other Income".

2 PROPERTY, PLANT & EQUIPMENTS.

Property, Plants and Equipment's are stated at their cost of acquisition or revalued amount (from the period when revaluation was done) less accumulated depreciation. The cost of acquisition includes freight, installation cost, duties, taxes and other incidental expenses, identifiable with the asset, incurred during the installation / construction stage in order to bring the assets to their working condition for intended use, including borrowing costs capitalized, if any, but are net of Input Tax Credits (CENVAT, GST ITC and VAT) availed for the relevant element in the Cost.

3 DEPRECIATION

Depreciation on assets is being provided on the Straight Line Method on the basis of useful lives specified in Part C of Schedule II to the Companies Act, 2013. Normal

Depreciation is normally debited to the Statement of Profit and Loss whereas the Depreciation on Revaluation Portion is adjusted against the respective Revaluation Reserve.

In case of those assets which were fully depreciated following the provisions of the Companies Act, 2013 and where such assets are in usable condition, the residual values of the said respective assets are considered at the maximum rate of 5%.

The details of useful life of an asset and its residual value estimated by the management are as follows:-

Type of Asset**	Useful Life as per management's estimate
Factory Building	30
Plant & Machinery*	10-15
Electric Fittings	10
Vehicles*	8-10
Office Equipments	5
Furniture & Fixtures	10
Server	6
Computers & Software	3

*Company is having different class of assets which is having different useful lives.

**In none of the asset the residual value of an asset is more than five per cent of the original cost of the asset

4 INVENTORY

Inventories are valued at cost of net realizable price which ever is lower. The cost formula used for valuation of Inventoreis are below:-

Raw Materials & Store & Spares have been valued 'at Cost' on FIFO basis.

Semi-Finished goods have been valued at Raw Material cost increased by a proportion of overheads in consonance with the stage of completion as certified by the management.

Finished products are valued at lower of cost or net realizable value.

Stock of Scrap is value at its net realizable value.

5 EMPLOYEE BENEFITS

Employee Benefits comprise short term as well as long term defined benefit as well as defined contribution plans.

Contributions to Provident Fund and Employee State Insurance are defined contributions. The Company's Contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. There are no further obligations beyond the periodic contributions.

Retirement Benefits in form are Gratuity are defined benefit obligations and are provided for on the basis of actuarial valuation using projected unit credit method as at the balance sheet date. Actuarial gain / losses are immediately taken to the Statement of Profit and Loss and are not deferred.

Leave Encashment, though a defined benefit obligation, falls under short-term compensated absences in terms of the policy of the Company and is provided for based on the leave standing to the credit of the employees as at the end of the year.

6 FOREIGN EXCHANGE TRANSACTIONS

Transactions in foreign currency, to the extent not covered by forwards contracts, are recorded in Indian Rupees at the exchange rate prevailing on the date of the transactions.

Exchange gains or losses, on settlement, if any, are treated as income or expenditure respectively in the Statement of Profit and Loss. Liabilities in foreign currency as well as receivables in foreign currency as on the date of the Balance Sheet have been restated into Indian rupees at the rates of exchange prevailing as on the date of Balance Sheet.

7 IMPAIRMENT

The Management periodically assesses, using external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

8 LEASE ACCOUNTING

Leases are classified as operating leases where the lesser effectively retains substantially all the risks and benefits of the ownership of the leased assets. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on accrual basis.

9 BORROWING COSTS

According to AS-16, the borrowing costs directly attributable to the acquisition of qualifying assets are to be capitalized for the period until the asset is ready for its intended use.

A qualifying asset being, an asset that necessarily takes a substantial period of time to get ready for its intended use. Other borrowing costs are to be recognized as an expense in the period in which they are incurred.

10 TAXES ON INCOME

Provision for taxation for the year under report includes provision for current tax as well as deferred tax.

Provision for Current tax is made, based on tax estimated to be payable as computed under the various provisions of the Income Tax Act, 1961.

Deferred tax is recognized, subject to prudence, on timing differences between taxable income and accounting income that originate during the year and are capable of being reversed in one or more subsequent periods. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that future taxable income will be available against which such deferred tax assets can be realized. Deferred Tax Liabilities / Assets are quantified using the tax rates and tax laws enacted or substantively enacted as on the balance sheet date.

11 PROVISIONS AND CONTINGENT LIABILITIES

Provisions requiring a substantial degree of estimation in measurement are recognized, if in the opinion of the Management, there is a probability that a present obligation as a result of past events will result in an outflow for the Company in the future. Contingencies, the outcome of which is not certain, have been disclosed in these notes as Contingent Liabilities. Contingent Assets are neither recognized nor disclosed in the financial statements.

12 IMPAIRMENT OF ASSETS

Assessment of Impairment of Assets (as covered under AS-28 Impairment of Assets) is done as at the Balance Sheet Date considering external and internal impairment indicators. If there is an indication that an asset may be impaired, its recoverable amount is estimated and the impairment loss duly provided for.

13 INVESTMENTS

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost.

However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

14 USE OF ESTIMATES

The preparation of financial statements required the management to make estimates and assumptions that affect the reported balance of assets and liabilities, revenues and expenses and disclosures relating to contingent liabilities. The Management believes that the estimates used in the preparation of financial statements are prudent and reasonable.

Future results could differ from these estimates. Any revision of accounting estimates is recognized prospectively in the current and future periods.

15 CONTINGENT LIABILITIES AND PROVISIONS

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of obligation can be made. Contingent Liability is disclosed for

- Possible obligation which will be confirmed only by future events not wholly within the control of the Company or
 - Present obligations arising from the past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.
 - Contingent Assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.
- A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

16 EARNINGS PER SHARE:

In determining the Earnings Per share, the company considers the net profit after tax which does not include any post tax effect of any extraordinary / exceptional item. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding as at 31 March, 2025.

17 DERIVATIVES

The Company is exposed to foreign currency fluctuations on foreign currency assets and forecasted cash flows denominated in foreign currency. The Company tries to limit the effects of foreign exchange rate fluctuations by following risk management policies including use of derivatives. For this the Company enters into forward exchange contracts, where the counter-party is a Bank. These forward contracts are not used for trading or speculation purposes.

In case of forward contracts the gain or loss arising on exercise of option or settlement or cancellation are recognized in the Statement of profit and loss for the period. The forwards contracts outstanding as at the balance sheet date, if any, are marked-to-market and corresponding exchange gain or loss recognized on the same.

In case of derivative transactions in currency futures, the net gain or loss is recognized in the Statement of Profit and Loss on settlement. In case of outstanding contracts as at the balance sheet date, the same are also marked-to-market and corresponding gain / loss recognized on the same.

- Prior Period and Extra Ordinary items and Changes in Accounting Policies, having a material bearing on the financial affairs of the Company are disclosed separately.
